

Father Forgive Me

Forgive me father for I have sinned
I want to make amends
I have acted in irrational ways
And I have wasted many days
Too many of my breaths were lost in the wind
Too much time has past to continue to pretend
I am still learning how to grow
You can see from all the scars that I show
I will do better each and every day with pride
I will walk the path you've given me in honest stride
For my lessons yet unlearned, my apologies
For every bridge I've burned, Father forgive me
