

Forgiveness

Hail!
Bow before your new messiah!
Bring your knees to the dirt!
Surrender!
Resistance is futile!
You have failed your children!
Your god has abandoned you!
Confess!
Confess!
You wanted this!
You created this hell!
Welcome to the nightmare from which you will never awaken!
Die by the sword!
This is the ultimate justice!
Rejoice!
For today we wave the flag of the new king!
And tomorrow will be ugly as I am!
The final days of man have just begun!
You only fear me for you fear yourselves!
This is what you have become!
I am you!
No one is safe!
No one is free!
There is no hope left!
Die!
Sinners!
Repent!
Ignite the crucified!
There is no forgiveness!
No forgiveness!
No forgiveness!
No forgiveness!
